

Help Us Give Away  
**\$150,000**  
to Local Non-Profit  
Organizations

The Customers' Choice Community Grants program is an annual program that allows Florence Bank customers to vote for their favorite local non-profit to receive a share of \$150,000. Since the inception of the program, our customers have had a say in distributing approximately \$1 million dollars in grants to local non-profit organizations.

Any qualifying non-profit organization that receives 50 or more of our customers' votes will receive a proportional share of the funds. Organizations must be a 501(c)(3) or equivalent and agree to spend the funds on local needs.
